Notes

* Fields marked by * are **mandatory**

a) If an (additional) limited account is needed, only being able to make changes up to a certain number of days in the future, number of days can be indicated here.

b) GA/BA is currently only available for Germany.

c) For Airlines, this form shall be completed and signed by the airline scheduling manager (IATA HOD).

d) e-Airportslots.aero is a portal which accesses the coordination system of the connected airport slot coordinators. For being able to do so, it is a prerequisite that an airline is already registered within the connected coordination systems and is accepted for requesting slots at their airports.
Registration within the connected coordination systems can only be requested directly from the airport slot coordinators:

- https://www.cohor.org (France, Tunisia, Mexico)
- https://www.fluko.org (Germany)
- https://www.slotcoordination.es (Spain)
- https://en.hungarocontrol.hu (Hungary)
- http://www.airportcoordination.org (Philippines)
